

# Gender Equality in Sport

## Planned objectives of the project:

**Raising Awareness on Gender Equality in Sports:** This project aims to educate the sports community and the general public about the importance of gender equality in sports, emphasizing its role in creating equal opportunities for everyone and empowering women and girls.

**Promoting Gender Equality Policies and Practices:** The project aims to identify and promote practices and policies that help reduce gender inequalities in sports, including the representation of women in leadership roles and equal opportunities for female athletes.

**Expected Results: When this project is completed,** we aim to have created a foundation for awareness and action within the sports community, as well as to have provided concrete examples of practices that can be implemented at both the local and international levels.

## Achieved results of the project:

**Organization of a Survey/Research on Gender Inequality in Sports:** Created and distributed an online survey to collect data on individuals' perceptions, challenges, and experiences related to gender equality in sports. Engaged athletes, coaches, leaders, and the general public to create a comprehensive view of the situation.

**Drafting a Report on Findings and Best Practices:** Analyzed the data collected from the survey/research and prepared a report reflecting the key findings, as well as identifying best practices from international projects, organizations, and countries.

**Organization of an Online Awareness Campaign:** Developed an online campaign, podcast, or other media presentations to share the results of the report and promote the importance of gender equality in sports. Utilized social media and digital platforms to raise awareness and encourage discussions with key stakeholders.

**Creation of a Support Network for Gender Equality in Sports:** Connected individuals and organizations interested in sharing ideas and supporting the implementation of gender equality policies. Created opportunities for mentoring and collaboration between women leaders and professionals in sports.
